

~~TOP SECRET~~

Extract from Deputies' Meeting Minutes DM-486, 18 May 1956

Mr. Sheldon:

Noted that we would soon have to take an Agency stand on whether or not USIA should become a member of the IAC. The Director indicated as far as he was concerned USIA should be a member and further if there is a split in the Committee on this proposal he agreed that it should go to the NSC for final decision.
